

- Get the right people to the meeting
- Have at least one speaker (Rick has done this before and is willing again)
- From experience the likely split in the village is 1/3 core supporters, 1/3 neutral, 1/3 not interested
- Get sign-up on the night where possible, if not follow up quickly (within 2 weeks)
- Budget for 3 years into the future and look to “refresh” the campaign then, so that revised promises include inflation – a number of methods to achieve this were discussed

Rick was thanked for leading the session. He agreed to provide

- the CD guide for the campaign
- a copy of the letter used by Ropsley PCC [**attached**]
- details of possible charities [**attached + application letters**]
- details of how VAT can be avoided on repair work [**address provided**]

### 3. AOB

Two items were discussed

#### a) Ringling Chamber – installing ceiling

It was agreed to accept the lowest quote received (D&M £3160) subject to confirming that their work at Ingoldsby was satisfactory (**Andrew**). It was agreed that work on the church heating should be delayed until the full cost of the bells project was known. Concern was expressed about this delay. It was pointed out the heating option we agreed would replace old and inefficient heaters so that the system was more reliable and cost effective, however, there would not be a marked increase in the amount of heat provided. Thus the delay would not really affect the warmth in the church over the winter. Andrew stated that the heating would now be turned on for services.

#### b) Church Repair Society

Further information about membership conditions had been circulated prior to the meeting. The decision to proceed was re-confirmed (**Secretary**).

### 4. Date of next meeting

It was decided that a further PCC meeting was required, given the decision to proceed with the covenanted giving campaign and the on-going work on the bells project. This will be held on **Tuesday 25<sup>th</sup> November at 7pm** in the Village Hall.
